IMPORTANT EXHIBITOR INFORMATION

Computer software is being used this year. Some items of interest are in the following areas:

- Assigning one exhibitor number to you - that same number will be used for all your entries;
- Requiring additional exhibitor information such as mailing address, phone number and email address for contact purposes, and the PA Fair Fund Program;
- Requiring information about an item you want entered be placed on the ENTRY FORM using DEPARTMENT, SECTION/DIVISION/BREED, CLASS, DESCRIPTION and ID (where required). At many places, examples are given as to how to place an entry on the ENTRY FORM.

If you have any questions, comments, or concerns, please call the phone number or email as listed on the ENTRY FORM.

Reminder - please take note of the ENTRY FORM deadline(s); also, when the items you entered are to be brought to the fair - date, time, place.

ORDER OF EXHIBITION AND RULES AND REGULATIONS

- Entry Form(s) will be furnished by the Premium Exhibits Committee Contact Person or Chairperson on request and are to be filled out by the exhibitor giving: name(an individual's name acceptable only; exceptions are Groups [Art, Industrial Art, Grange, etc.] use group name), address, phone number, email, school district name and your current grade (if student), 4-H club name and your current age (if 4-H member), department, section/division/breed, class, description of the article, animal, etc. and ID (where required). One exhibitor number will be assigned to be used by the exhibitor in all departments entered.
- See last page concerning registration fees and deadline. Registration means that the article or animal must be placed on an Entry Form and received by mail or in person by the appropriate date(s) above. Do not mail or give to the Chairperson; that will cause a delay in registration.
- Changes will be accepted until the date of delivery for an article or animal entered in the wrong class or being substituted. However, no additional animals or articles will be accepted after the deadline.
- Right is reserved to close entries before specified closing date. NO REFUNDS on entry fees.
- Entry fees MUST be paid at the time of registration and payable to the Gratz Fair Association.
- A premium check must be cashed within 60 days from the date on the check; otherwise, your premium will be declared as a donation to the Gratz Fair.
- All articles entered for exhibition must have cards or tags attached with the exhibitor's name. In all classes, these cards must correspond to the entry lists. Cards and tags will be supplied by the fair. It shall be the responsibility of the exhibitor to properly name the ARTICLE or BREED OF LIVESTOCK that is being entered. Any exhibit improperly entered will be disqualified to receive a premium, but the judges will make the correction on the entry tag for the benefit of the owner so the same mistake in entering need not be made the second time.

- H. Reasonable care will be taken to protect all exhibits on display from all injury and damage but the fair is not, in any way, to be held responsible for accidents, loss or damage by water, fire, theft, or otherwise, whatever may be the cause or extent of the damage or loss.
- I. Any article which receives a distinct premium cannot compete in general display nor shall any one article receive two premiums. No entry for the same article will be made in more than one department. An entry can draw just one 1st prize. (Only exception: "4-H and FFA" livestock exhibitors may also enter their animals in "open" class if they pay the entry fee.) **Individual exhibitor entries are limited to two (2) per class except where noted. Group exhibitor entries are limited to one (1) per class.**
- J. Any article or exhibit placed in an "Other" class, will all be judged together for that class except where noted.
- K. Chairpersons reserve the right to bar from competition animals or articles of decidedly inferior quality and those not possessing sufficient merit to warrant recognition. The fair reserves the right to remove any exhibit not worthy of viewing by the public.
- L. Food products cannot be polluted with any substance or chemical that causes them to become poisonous and unfit to be used as food. Any such incidents must be reported to the Pennsylvania Agricultural Fair Program for further review.
- M. **All entries must have been grown, produced, or made since the last fair, except as noted, by the person or group whose name appears on the tag as exhibitor.** Photographs, etc. will be taken of exhibits (for internal use only) and will be used to identify exhibits so they are not exhibited in succeeding year(s). If entries are to be limited to residents of the county, or to a specified area, this will be stated in the appropriate rules section. Any exhibitor may be required to prove ability to reproduce entry in any department in the presence of a qualified person.
- N. No exhibit may be removed at any time before the close of the fair except by consent of management. Also, any exhibit remaining more than 30 days beyond the close of the fair becomes the property of the fair.
- O. Where award ribbons are stolen or destroyed, the exhibitor may receive a duplicate at the close of the fair or show which will be supplied by the fair free-of-charge.
- P. The fair management reserves the right to amend or add to these rules and regulations as its judgement may determine.
- Q. In cases where there is no competition, judges may give an award such as they deem the exhibit is worthy to receive. Same rule applies where there are fewer entries in any class than the number of premiums offered. The judges may, at their discretion, award a ribbon or rosette. The decision of the judges shall be final in all cases except where mistakes, fraud, misrepresentation, or collusion - not discovered at the time of the award - is proved. In such cases, the Chairperson will make a decision.
- R. **Appeals Process** - if an exhibitor wishes to make an appeal or complaint, written notice (stating plainly the cause of the complaint or appeal) must be filed at the fair office within 24 hours of the occurrence. Order of appeal or complaint for resolution: 1) Exhibits Committee or Livestock Committee [as appropriate], 2) Appeals Committee [this committee will only deal with the appeal or complaint if unresolved by the Exhibits Committee or Livestock Committee]. Any appeal or complaint will be dealt with in a timely manner.

NOTE: Considerable time and effort was put into the revision of the premium list and the fair association will appreciate the whole-hearted cooperation of the exhibitors in classifying and numbering the various exhibits in accordance with the Premium Tabloid. A Premium Tabloid may be secured from Gratz Fair, PO Box 204, Gratz, PA 17030. Phone (717) 365-3441.

SOME ADVICE TO EXHIBITORS

Make your entries early either by mail or in person, and take your exhibits to the grounds at the time designated in the rules, and don't ask to remove them until the time specified in that particular department.

Upon arrival at the grounds with stock or articles for exhibition, proceed to appropriate check-in, then to the appropriate building and inquire for the Chairperson of the Department in which you are an exhibitor, who will conduct you to the stall or space your stock or exhibits are to occupy. It is the responsibility of every exhibitor to select the proper class for each exhibit.

The ORDER OF EXHIBITION AND RULES AND REGULATIONS stated above must be followed.

If you desire any information in regard to the business of the exhibition pay no attention to rumors or here-say, but go to the Chairperson of the Department in which you are an exhibitor, who will take pleasure in giving you all desired information.

By following these suggestions you will save yourself much disappointment and trouble, and you will go home with better feeling and conscience of having made friends and having contributed to the enjoyment of others.

During the judging, the buildings are to be closed to everyone except Gratz Fair officials, PA State Fair Fund officials, judges and necessary attendants. Any exhibitor interfering with the judges while making awards shall forfeit any premium to which he otherwise is entitled.

In paying premiums, no evidence of awards will be recognized except the entry lists signed by the Chairpersons and judges. Ribbons, cards and labels that may be attached to exhibits will not be recognized.

ANNOUNCEMENTS

The fair opens as noted on the schedule in our brochure and on our website.

A security force will be on the grounds during fair week to preserve order. **PETS NOT PERMITTED - SERVICE ANIMALS ONLY.**

Arrangements and provisions are being made to accommodate more exhibits than ever. The buildings will be cleaned and renovated and all available space utilized. Committees will be on hand to receive, protect and display articles left in their care to the best advantage. The management trusts that the people of Dauphin and adjoining counties will give this coming fair their hearty cooperation, encouragement and support by taking an active interest in its welfare by exhibiting their choicest articles, wares, and products from their stores, homes, gardens and farms, and by attending its meetings. A fair successfully conducted is an educational source of great value to all those engaged in mechanical or agricultural pursuits.

GRATZ FAIR CODE OF SHOW RING ETHICS

The GRATZ FAIR has developed a Code of Show Ring Ethics to curtail unethical, deceptive and fraudulent show ring practices. The Code is as follows:

Exhibitors of animals at the Gratz Fair shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at the livestock show.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and may be prohibited from future exhibition in accordance with the rules adopted by the fair. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of GUIDELINES for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age or any fact relating thereto is

prohibited.

2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by show officials.
3. Junior exhibitors are expected to care for and groom their animals while at the show.
4. Animals shall be presented to show events where they will enter the food chain free of volatile drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance applicable with federal and state statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal and state statutes, regulations and rules affect the animal's performance or appearance at the event. If the laboratory report on the analysis of urine, saliva, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample urine, saliva, blood, or other substance tested by the approved laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise. At any time after an animal arrives on the Gratz Fair premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.
5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, conformation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
7. Direct interference with the judge, show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics.
9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have

disciplinary action taken by the fair for violation of this Code of Show Ring Ethics. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, Pennsylvania State Association of County Fairs, including fairs, expositions and any special notices to members.

11. The act of entering of an animal in the show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is in violation of federal and state statues, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

Department 20 - Section 2 - GROUP EXHIBITS

Georgine Wert, Chairperson : Phone: (717) 692-4670

GENERAL RULES

- A. IMPORTANT - GENERAL ORDER OF EXHIBITION AND RULES AND REGULATIONS apply; Entry Form deadline, delivery, judging and release dates/times, pass, and entry fee - see last page. Bring exhibit(s) to the AGRICULTURAL HALL.
- B. As there are many group exhibits, we are making this a broad classification to include groups, organizations, and clubs that may exhibit at our fair for premiums. Due to "on a space available basis", be sure to include contact person and phone number. An exhibitor that enters in Department 20 may not enter in Department 119.
- C. The size of the space to be filled is as follows: 5 ½ ft wide by 6 ½ ft deep. The sides and rear of the display are comprised of pegboard. Use hooks, adhesive, etc. that don't remove paint -- please no duct tape. Any such damage will be the responsibility of the exhibitor. If the entire space is not filled, the premium will be adjusted accordingly. Please describe your display on the Entry Form.
- D. A sale of items, in itself, shall not be considered a part of any exhibit.
- E. The fair reserves the right to reject an exhibit not in good taste.

NOTE: Size of exhibits is to be determined by each individual fair. Judging of exhibits may be done according to any plan devised by the fair, provided it calls for a graduated scale of awards. A scoring system that may be useful follows:

- ATTRACTS ATTENTION20
- Use of color, motion, light, figures. While attention getting is important, the reaction should be favorable. Unfavorable attention defeats its purpose.
- AROUSES INTEREST10
- Encourages additional study. Personal appeal to the type of viewer for whom the exhibit was designed.
- CONVEYS MESSAGE30

The message should be understandable to the viewer for whom the exhibit was intended.

- DESIGN20
- Elements of the exhibit should be pleasingly placed to give a sense of unity to the whole. The message should be a part of the design and not something apparently added as an afterthought. Simplicity is the key here.
- WORKMANSHIP10
- Neat, well constructed for the purpose. This does not imply that expensive material be used.
- ORIGINALITY10
- TOTAL 100
