Imagine if you could go back in time and once again listen to the master Country Music Icon Johnny Cash with his wife June Carter by his side. What if you were able to bring back memories with music and share them with friends and family all over again? How would it feel to make some new memories? We make it all possible as we pay tribute to the Man in Black and his music. We are not impersonators. Our tribute show keeps the authentic sound of the original music, but with our own bit of style. Our growing fan base must mean we are doing something right! Our show also includes special tributes to Patsy Cline, Janis Joplin, Waylon Jennings, and other classic performers. But the main music is always Cash. As Joe Brucker says, "we ain't got much money, but we sure got a whole lot of Cash! Folsom Prison Blues, Ring of Fire, Jackson, Cry Cry Cry, Walk the Line, just to name a few."
