TERMINOLOGY: As used in this document the term “vendor” means any vendor, exhibitor, or other person utilizing space at the Gratz Fair. “Fair” means the Gratz Fair.

SPACE ASSIGNMENTS: The Fair will attempt to accommodate requests for specific spaces or services on a first paid, first reserved basis. Previous year vendors will have preference for space assignments based on the receipt of a completed application, deposit and insurance certificate (where applicable) by June 1, 2022. However, all space assignments and services shall be made or provided at the sole discretion of the Fair.

INITIAL ARRIVAL AND SETUP: Upon arrival at the Fairgrounds, vendors must check-in [arrival/setup times noted below unless otherwise approved]:

- 9:00 AM to 5:00 PM - Friday and Saturday, September 16 and 17
- 8:00 AM to 10:00 AM - Sunday, September 18 [Fair opens at 11:00 AM. All vehicles must be off midway one hour prior to gate opening]

NOTE: Notify Fair Indoor Contact person no later than 1:00 PM on Saturday, September 17 if your space is not set up; otherwise, it may be released.

TEARDOWN AND REMOVAL: After the opening of the Fair, *no* display, stand, or other vendor material may be dismantled or removed until:

- 11:00 PM OR the general public has departed the Fairgrounds, whichever is later on Saturday, September 24.
- 9:00 AM to 5:00 PM - Sunday through Tuesday, September 25 to 27.

INSURANCE: The Fair requires that each vendor obtain insurance. A certificate of insurance must be received no later than two weeks prior to opening date of the Fair and meet the following requirements:

- a. The Gratz Agricultural and Horticultural Association, AKA Gratz Fair Assn., must be listed as an additional insured on the Certificate of Insurance. Physical address: 601 E. Market St., Gratz PA 17030. Mailing address: PO Box 204, Gratz PA 17030.
- b. Each vendor selling a product at the Fair must have product liability insurance in the amount of not less than one million dollars (\$1,000,000).
- c. Personal and advertising injury limit must be no less than one million dollars (\$1,000,000).
- d. If there is a General Aggregate limit, it may not be less than two million dollars (\$2,000,000).
- e. Coverage dates for insurance must be from the day of your setup through the day of your teardown.

Obtaining insurance is the vendor's responsibility. A vendor may satisfy the requirements for insurance by providing a valid Certificate of Insurance that complies with the requirements stated above prior to entering the Fairgrounds to set-up. All Certificates of Insurance must be approved by the Fair's insurance provider prior to vendor set-up on the Fairgrounds. Early submission of Certificates of Insurance will allow for approval and/or corrections of the insurance coverage before arriving at the Fairgrounds. The Fair will attempt to facilitate an insurance policy for vendors who do not have their own insurance. A vendor may request to purchase insurance at a cost of \$85 for the first location and \$50 for each additional location. Any such request is subject to the acceptance and approval by the Fair and the Fair's insurance provider. In the event the vendor's insurance is cancelled after providing a Certificate of Insurance, the Fair must be notified in writing within 30 days of the cancellation date. In the event that such insurance is cancelled less than 30 days before the Fair or during the Fair, the vendor shall immediately notify the Fair and purchase insurance. If a vendor's insurance is cancelled during the Fair, the vendor may request insurance at a cost of \$95 for the first location and \$60 for each additional location. Such a request is subject to the acceptance and approval by the Fair and the Fair's insurance provider. In no case will a vendor be allowed to remain at the Fair without insurance described in a through e above.

ALL VENDOR ACTIVITIES AND FACILITIES MUST BE CONFINED TO THE ASSIGNED SPACE: A vendor may erect counters and other items within the allotted space. Nothing may extend beyond the allotted space, including flip-up flaps, awnings, trailer hitches or parts. A vendor may not conduct business outside of the assigned/allotted space. A vendor shall be responsible for conducting business in a manner that will not interfere with others. The Fair reserves the right to permit a limited number of “walking vendors” (typically a clown or similar). The Fair does not grant “roaming rights” to food or novelty vendors.

No novelties or other such materials which may cause damage, danger or harm to the livestock are permitted in those areas and appropriate notice of such must be made by the vendor to the public. Any types of products, such as canned string, colored hair spray, etc. is not permitted. Failure to comply with such requests or directives may result in the vendor being ejected from the grounds.

Lewd, vulgar or otherwise offensive behavior will not be tolerated and may result in removal from the fairgrounds. Fair shall determine the suitability of any challenged conduct or personnel.

LIMITATION OF FAIR LIABILITY: A vendor may not hold the Fair responsible for any fire, theft, personal injury or property damage. A vendor may not hold the Fair responsible for any personal injury or monetary loss suffered by the vendor or exhibitor during the conduct of their exhibit. Each vendor explicitly agrees to indemnify and hold harmless the Fair against any and all loss, damage, cost and expenses which the Fair may hereafter suffer, incur, be put to, or pay by reason of personal injury or monetary loss suffered by any person of a vendor's participation at the Fair.
